## Just a note ...

I am often asked "Do buyers really come out over the Holidays and during the winter months to purchase property?" The answer is, yes. We find that many buyers have off during the Holidays and the serious buyer will take the time to drive to our wonderful area to purposely look at Real Estate. Historically, properties sell every single month. The only real question is ... Which properties will the buyers perceive to be the deal and therefore, which properties will sell?

Photo by: Felicia Fairchild, Executive Director  
Saugatuck-Douglas Convention & Visitors Bureau

NAR (National Association of Realtors®) states there are only three reasons a home does not sell - Price, Location and Marketing Plan/Agent. The good news is the seller controls two of these factors. As you may have read or heard, interest rates are at an all time low. What better time than NOW to purchase a year round residence, vacation home or investment property? Saugatuck—Douglas are both absolutely beautiful, especially during the Holidays. I wish you and your family a Joyous Christmas and Holiday season filled with many fond memories and special moments.

Merry Christmas and Happy New Year, *Laura J. Durham*

### Melanie continues to enjoy her life in Sydney!

Earlier this year Melanie received her Certificate of Registration which is the equivalent of a Real Estate License in the United States. She is working in Property Management and Marketing for a family branch of Richardson and Wrench located in Seaforth/Balgowlah, which is just outside of Sydney. Melanie loves the challenges of Real Estate in a different country and is learning something new every day. I am proud of her as she follows her dreams as she experiences living life abroad. I look forward to my next visit.

## Season's Greetings

*The trees are all trimmed, the lights are aglow. The horse and buggy are just waiting for snow! Butler Street glistens from head to toe; It's Christmas, again, in Saugatuck you know. With or without the "Famed" lake effect snow. A very special time, in a very special place. Why, you would hardly know it from its fast summer pace. Children are excited, shopkeepers too, and as usual, there's oh so much to do. With gifts to be wrapped and cookies made, carols to be sung, and ornaments hung. A visit to Santa helps keep us on track, Why, we even bring his favorite snack, They say he's making a list and checking it twice, he wants to know if we've been naughty or nice. Yes, it's a very special time, in a very special place and even Santa seems to like our slower pace. It's Christmas again in Saugatuck, you know; with or without the "Famed" Lake Effect Snow.*

*Christmas at **Mill Pond Realty** is very special too!*

*The sound of Christmas Carols and the shining lights of Christmas burning bright, remind us of that very first Christmas night. We feel a special peace, count our blessings, Thank our God and think of you.*

*Christmas is, without a doubt, a time of joy, oh yes it is; a time, we're told, when dreams often do come true! Yet, we know our dreams at*

***Mill Pond Realty** would never have come true, were it not for people just like you!*

*This Christmas Day, as we say our prayers and open gifts, we want you to know, we'll have a very special glow; it comes from thinking about each and everyone of you and what a special gift you are too!*

*It's Christmas again in Saugatuck, you know, with or without that "darned" lake effect snow; and **Mill Pond Realty** Extends, from our hearts and homes to yours, a very Merry Christmas and a Happy New Year!*

*May all of your wishes and Dreams come true.*

*That's our special Christmas prayer for you!*

*Merry Christmas and Happy New Year!*
